

Give the gift of home this Holiday Season

Please join our family in supporting St. Bernard Project.

An award winning non-profit organization dedicated to rebuilding homes and lives in the New Orleans area. SBP has rebuilt more than 415 homes, but with at least 10,000 families struggling to return to the homes they own, much work is left to be done. Help make the dream of spending the holidays at home a reality for the 130 families on our waiting list this season.

"I am so blessed and fortunate to have so many people who gave love to my family, after all we have been through."

- Helen Green, native New Orleanian and mother of three, expresses her gratitude as SBP welcomes her family home
